Education

Sept. 2017 - June 2023

University of Washington, Seattle

Undergraduate

I graduated with a triple major in Linguistics, Asian Language & Cultures (AL&C), and Chinese.

Feb. 2022 - Jan. 2023

National Yang Ming Chiao Tung University, Taipei

I participated in a year-long abroad study through the UW Chinese Flagship. The main focus of this program is developing one's Chinese fluency and one's understanding of Taiwan culture.

Mar. 2024 - Sep. 2024

UCI: Coding Bootcamp

I completed a 6 month coding bootcamp that focused on developing the foundations for developing a full-stack code as well as introducing other tools commonly used for full-stack (e.g., React, JQuery, NoSQL, etc.).

Experience

April 2018 - April 2023

UW Recreation, Seattle

Rollerskating Supervisor

I supervise patrons participating in the Roller skating program at UW Recreation and enforce the pertinent safety rules and regulations. As such, I keep an eye on small details to predict/prevent potential dangers. I also engage with patrons to encourage a positive learning environment.

June 2019 - April 2023

UW Recreation, Seattle

Member Services/Sales Representative

I directly interact with patrons, respond to inquiries, and troubleshoot problems. These interactions may be in-person or through a call. I also carry out various transactions for different memberships/payment plans and verify patrons' IDs/student statuses. Since I work alongside different departments within the facilities, I also practice flexibility and multitasking.

Feb. 2021 - Present

이끼엿끼 YoungJay

Subtitled/Translator

I produce/sync subtitles for YouTube videos while translating the language from Korean to English. I need to pay attention to the differences and similarities between S. Korean and American cultures and phrases, and match the speakers' intentions as closely as I can. As such, I engage in extensive research regarding Korean culture, Korean internet culture, and slight differences in semantics between American English and Korean words/phrases.

January 2024 - Present

KOAM Pharmacy

Pharmacy Clerk

I handle a broad range of tasks, including: client interactions (in various languages), maintenance of inventory records, delivery to various clients/facilities, data entry, insurance verification, as well as sanitation/maintenance of common areas.

Skills

Proficiency in English, Korean, and Mandarin Chinese

Experience with Google Docs, Slides, and Sheets

Experience with React, SQL, Express

Adaptability, attention to detail, creativity, positivity

About Me

Hello! My name is Philip Kim. I'm currently working part-time at an independent pharmacy as a clerk. I'm also doing subtitling/translating work (from Korean to English) on the side. I have recently completed a Coding Bootcamp provided by UCI and am preparing to further develop myself in the software engineering field.

I am very curious about many different subjects, and enjoy learning new things. As such, I engage in multiple hobbies, ranging from roller skating and Wushu (Chinese martial arts) to music and writing. From a young age, I've volunteered extensively at churches, singing, playing instruments, translating, preparing powerpoints, and managing sound/camera systems.
